

The Statement by (prospective) supervisors for MolMed applicants should include the following details:

- Name of the doctoral student
- (Provisional) PhD project title
- Starting date (dd/mm/yyyy) of the PhD project
- Funding: contract or stipend, funding source (contract/stipend), duration of funding
If funding is not yet available for the entire duration of PhD or if supervisor plans lab move:
include explanation who will take over funding resp. supervision (e.g. department or second thesis committee member).
- Prospective thesis committee members (if already known)
- The availability of adequate lab space, equipment, and consumables

The statement of the supervisor should be signed and submitted with the application form. In case it is not available yet, the supervisor should send it directly by email to molmed.phd@med.uni-goettingen.de within the next week. The application can be only processed upon receipt of it.
