Online German Course for ERASMUS Students

You are a participant in the Erasmus program and will be attending a German university in 2007? Congratulations! Thanks to a special offer made possible by the DAAD, this means that you are eligible to use DUO, the ultimate learning portal for the German language. Sign up for a DUO course and enjoy the advantages of learning German from your very own home for up to 3 months, allowing you the very best preparation for your stay in Germany – and that at considerably reduced prices.

Here is how it works:

- Choose from one of the following courses*:

uni-deutsch courses	skill level	fach-deutsch courses	skill level
uni-deutsch sprachkurs	B1	fach-deutsch wirtschaft (economics)	C1
		fach-deutsch jura (law)	C1
		fach-deutsch medizin (medicine)	C1
uni-deutsch TestDaFtraining**	B2	fach-deutsch natur (nat. sciences)	C1
		fach-deutsch bio	C1
		fach-deutsch psycholinguistics	C1

- Select the learning method that most adequately fits your requirements:

- Visit www.deutsch-uni.com/erasmus and click on 'register'.
- Sign up for the course and learning method of your choice.
- You will be asked to take a short assessment test.
- DUO will provide you with a link for completing registration and for viewing our billing options.
- The account for your selected course will be unlocked and you will receive your own personalized access to DUO.
- If you have decided to use the Assisted Learning option, DUO will remind you when your course starts (first working day of the following month).
- Your DUO-tutor will contact you at the beginning of your course, assist and guide you, correct your assignments and engage you in discussions using chat rooms and forums.

DUO is designed for anyone interested in preparing for a stay in Germany. DUO not only offers German language courses: it also provides a great range of skills for students and researchers alike – from language, cultural and everyday skills to basic knowledge in specific subject areas. DUO allows you to:

- make effective use of your time prior to departure for Germany by improving your language skills for studying at a German university and familiarising yourself with a German study culture
- use the fach-deutsch courses to increase both your knowledge of the subject matter and of the technical terminology relevant to your field while studying in Germany
- prepare yourself for the TestDaF with uni-deutsch TestDaFtraining
